TITLE: Revised Federal Poverty Level (FPL) Tables

DATE: March 28, 2016

Background

Eligibility for the My Health LA (MHLA) Program and dental services offered to MHLA eligible patients by the Community Partners is determined according to the 2016 Federal Poverty Guidelines according to the U.S. Department of Health and Human Services. The FPL tables have been updated by the U.S. Department of Health and Human Services as reflected on the revised 138% FPL Table (Attachment 1). In accordance with the MHLA Program Agreement, this FPL Table will be used by the MHLA program to ensure that a MHLA applicant's household income does not exceed 138% of the FPL. The revised FPL table will be integrated into the One-e-App system logic as of April 1, 2016.

These revised FPL guidelines do not affect the eligibility of a MHLA Participant who is already enrolled in the MHLA program. The guidelines will be applied after April 1, 2016 to: (1) all new MHLA applicants, (2) any MHLA participant renewing their program eligibility and (3) any individual reenrolling in MHLA after disenrollment.

Provider Instructions

This FPL table is for your internal use only, and should not be distributed to patients.

The MHLA Dental ATP (Attachment 2) and the Income Calculation Worksheet (Attachment 3) have been revised to include the revised April 1, 2016 FPL amount and are valid from 04/01/16 through 03/31/17.

All of these documents and attachments are posted on the MHLA website under 'For DHS and Community Partners'. If you have any questions or need further information, please contact your Program Advocate.
